You won't have heard of us, as we work behind the scenes, but Crisis Action is an innovative organisation at the forefront of global advocacy. We work with a global network of partners to avert unnecessary conflicts and ensure the protection of civilians in conflicts such as Sudan, Congo and Afghanistan. We are looking for an effective and dynamic person to become our Development Director.

As Development Director you will work directly with the Executive Director to strengthen our fundraising strategy, manage our existing international fundraising portfolio and identify and secure the support of new major donors. You will deal with international foundations such as The Oak Foundation, Foundation Open Society Institute and the Sigrid Rausing Trust.

We are looking for someone who shares our passion for Crisis Action's work and is able to communicate the impact that we achieve to donors and supporters. You will work alongside an excellent international team in Berlin, Brussels, Cairo, London, Nairobi, New York and Paris. Visit www.crisisaction.org for an application pack.
